

You Can Help! We believe that now is the time to expand the broadcasts in the state of Tamil Nadu, and to keep producing the video Bibles in other states in their own languages to be show on TV broadcasts, remote villages, tribal areas, leprosy colonies, and other unreached areas. Please prayerfully consider sponsoring ICII's Video Bible TV broadcasts. You can help us to bring God's Word to millions in India who have never heard.

When we commit to six-month contracts, the broadcasts cost only \$50 for each 30-minute episode! Each episode has the potential to reach millions of souls in India!

We are looking for partners who will sponsor a six-month block of 50 broadcasts for the low price of \$2500. This will allow us to open a new broadcast in an unreached area, or extend an existing broadcast contract to reach more souls and teach more of God's Word.

100% of your gift will go toward TV broadcasts

(All gifts are tax-deductible)

- 1). Each \$50 donation will cover the cost of one 30-minute program. When we receive enough donations, we will purchase a block of 50 broadcasts.
- 2). Each gift of \$2500 will provide an entire six-month contract, enabling us to begin broadcasting immediately, or to renew an existing contract.

Give a gift that will last for all of eternity!

Our video Bible programs are narrated word-for-word from the Bible in the Tamil language, while displaying each Bible verse over an eye-catching panorama of beautiful natural scenery, wildlife, fish, birds, parks, places from the USA and around the world, and more.

Each program tells viewers how to become a Christian. At the bottom of the screen, there are telephone numbers for the viewer's area, which they can call to learn more about God, get a free New Testament, or find a church or Christian fellowship. Every episode covers two or three chapters of the Bible, followed by a presentation of the salvation plan, and an invitation to receive Christ.

The Video Bible For All Languages in India!

Independent Church in India is in the process of producing all eighteen of the major languages in India. This is an excellent way for those who are illiterate and those who do not own a Bible to hear the Word of God. As people watch, they will hear God's life-changing Word in their own language!

With the help of native speakers as narrators, we are now producing video Bibles featuring the Gospels of Mark and John, in Hindi, Kannada, Telugu, Marati, Malayalam, and many more!

These are some of the most widely spoken languages in the world. Hindi alone is understood by up to 800 million people! When completed, these videos have the potential to reach all over India with the word of God.

Slightly over a year, ICII has recorded over a staggering 16,000 phone calls from people who testify that they received Christ because of these broadcasts! We believe the calls represent only a fraction of the lives that God has touched through the programs. Many are reporting that the Lord has done miraculous things in their lives after they began to watch and hear the word of God.

Families and friends can gather to watch ICII's TV broadcasts.

Here are just a few of the testimonies we received:

We have lots of problems in my family and it seems like a different trouble comes each day. I was planning to commit suicide, but that day I was watching the TV and I heard about Jesus through your broadcasts. I received Christ and He gave me peace in my heart and I changed my mind about committing suicide. God gave me relief from my burdens”.

“My name is Sahila and I am from a Hindu family. My husband does not like Christians, because he is in a Hindu extremist movement. I heard about your TV program from my friend so I watched, and I received Jesus while watching it. My husband saw that I was praying every day so he beat me and ordered me not to watch your program any more. But whenever I feel sad, I watch your program from my friend's house, and I feel very much comfort. I wish to grow more in the Lord. I also received a free Bible and I am reading it every day secretly”.

“My husband used to drink for the past forty years. Every day he was drunk and he was fighting me and the family. One week I watched your program and my husband was also watching it. At the time of the salvation prayer I and my husband both received Jesus. Now he is cooperating with my family and me to stop drinking, and he has stopped this bad habit. I give thanks to God for taking away these problems”.

One family was totally devoted to Hinduism, and every year they would even walk on the fire to please their Hindu gods. Even though they were very sincere, they had no peace in their family. One day they were watching ICII's program and afterward they decided to follow Jesus. The family now testifies, “After we received Jesus into our lives, we feel lots of peace and happiness in our family!”
